

EdTech 2009

**Wednesday, February 4 & Thursday, February 5
at Randolph-Macon College, Ashland**

*Sponsored by the Community Idea Stations Educational Technology Consortium
in conjunction with the Greater Richmond Area Technology Council and
Randolph-Macon College*

Join your colleagues for two days of cutting-edge demonstration sessions for combined instructional and administrative applications. Meet with other users and learn about the wide range of technologies and software (Windows and Mac) available for classrooms and telecomputing. Stop by the vendor exhibit area for ideas and information. Register online at www.ideastations.org.
